**Riders Meeting - *Mandatory*** riders meeting at sign ups 9:15 AM

Staging Opens at 9:45 AM

**Race Start Time:** 10:00 AM Key Time for the first set of Special Tests.

### **Rider Racking / Staging:**

A staging area will be marked off at Slash X to stage riders prior to starting the Special Tests.

- There will be arrows marking the direction to the Staging area from signups.
- Riders will be racked in rows by skill level and class. See below.
- First come first serve on your rows.
- The goal is to have riders of similar skill levels out on the racecourse together.
- Four riders every 60 seconds will be allowed to move from the staging area to the start of Test 1.
- The start of each Special Test is one rider at a time with the engine running.
- Directions to each Special Test start will be marked by arrows and signs.

### **Which Classes ride which Special Tests:**

- *We will be following the District 37 Sprint Enduro Special Test riding standards for 2026.*
- There will be three Special Tests: Special Test 1, Special Test 2, and Special Test 3.
- See attached below for Class / Skill and test count and order

### **Race Procedure -**

- There will be three Special Tests which will be ridden two times for a total of six Special Tests (depending on class).
- Some classes only ride two of the three Special Tests.
- All tests count and the times of the four/six tests are accumulated into a total score.
- The lowest or fastest time wins.
- Tests will begin by a rider leaving every 15 to 30 seconds. The test starts are live engine.
- Once you complete your Special Test follow the arrows to the start of the next Special Test.
- Once you complete the Special Test 3, or Special Test 2 for some Classes, return to the Pit area and get ready for re-racking for the second set of Special Tests.
- Classes riding only Special Test 1 and Special Test 2 (three times each) do not need to re-rack for their third set of Special Tests. To begin the third set of Special Tests, go directly to the start of Special Test 1.

### **Re-rack Time:**

- 15 min after the last rider leaves for their first test.
- Re-rack Start Time: 30 min after the last rider leaves for their first test
- Official rerack time will be announced and posted at the riders meeting.
- All tests will be cleared prior to the start of the re-rack to allow a "clear course" for faster racers.
- All tests must be completed in order (shown on attached sheet)
- Riders do not have to immediately start one test after the next. Resting and bike maintenance can be done in between each test.
- **All riders have 4 hours to complete all of their required tests** from the time the last racers start their first test. Test closing times will be announced at riders meeting and posted at each test district trailer and rerack staging

### **Overall Race Course:**

- **Special Test 1:** Easy fast Special Test Length ~ 6 miles. Test 1 you should be able to showcase your outright speed and cornering in the desert. It will have long sweeping corners over fast terrain as well as abrupt sharp cornering.
- **Special Test 2:** More difficult Special Test. Length ~ 5.5 miles. Test 2 is going to consist of your typical valley crossing with high speed sections and corners with some technical tight terrain sections mixed in.
- **Special Test 3:** Most challenging Special Test with technical rock sections. Test 3 will be a technical low speed, with some high speed. Length ~ 5 miles.
- **Total ride distance is approximately 36 miles.**
- **Saturday and Sunday courses will be very similar with some variations.**

#### Course Markings -

- The racecourse will be marked with pink ribbon and directional black arrows on pink background.
- Some danger sections are marked with additional blue "danger" markings
- You must stay within 25 feet of any single course marking. **Stay on course to avoid Penalties**
- **Bunting or caution tape is heavily utilized. DO NOT CUT CORNERS**
- **Road Crossings:**
  - There are no manned road crossings but several smaller road crossings on each test.
  - Minor road crossings will be marked but be aware of your surrounds and keep an eye out for play riders and jeeps / Side by Sides that may be crossing race course
  - Severe "SCORE" Road Crossings will have additional blue "danger" markings.

#### Time Penalty -

- Due to the nature of this type of event, there are sections where the race course comes close to each other. Please follow all course markings and stay on course. **DO NOT FOLLOW DUST!**
- **Course cutting and "cheater lines" will not be tolerated!!!**
- **Any rider observed cutting the course, even if unintentional, or cheating will be reported to the Race Referee and issued a minimum time penalty.**
- **A 2 minute minimum penalty will be awarded for any course cutting with potential for a DQ**
- Spotters on bikes and in SxS will be spread throughout each test to look for course cutting.

#### **TO BE CONSIDERED A "FINISHER" YOU MUST COMPLETE ALL THE SPECIAL TESTS REQUIRED FOR YOUR CLASS + SKILL**

- **AA/Pro Payout** - There is 100\$ Pro entry with a 50% pro payout. Total purse will be paid out to the top 5 pros on an AMA pay schedule.
- **Trophies and Finisher Pins** - Finisher pins will be at signups & 10% Trophies will be awarded after results are finalized.

#### **BLM Tortoise Awareness and Protection:**

- Please follow BLM Posted Tortoise safety guidelines if you encounter a tortoise on the course.
