

The Invaders/Rovers 6th Alien Dawg Run

District 37 Desert Scrambles Series Round 4

Saturday March 21, 2026 Youth Riders Instructions

NOTE CHANGE IN LOCATION!!! We are at Stephen's Mine & Gas Line Rds. – **NOT** Teagle Wash Rd

There is a 15-mph speed limit that applies to all entrants, families, spectators, and guests in all general camping/pit, signup areas, and anywhere spectators are at. This also includes Stephen's Mine Rd. & Gas Line Road along the camping and signup areas. This will be STRICTLY ENFORCED.

Race Registration:

Saturday March 21, 2026 – open from 7:00am to 11:00am. Located at Stephen's Mine & Gas Line Rd.

Registration Requirements: The racer and parents/guardians must be present at registration. Have your AMA verification (i.e. card or email confirmation), District 37 card, completed AMA Event Minor Release form, and helmet for transponder scanning ready at registration. AMA services will not be available at registration. D37 license applications may be available at registration. Since internet service is spotty in this area, be sure to have all of these items completed and verification available when you arrive at registration.

Fender Cards: Tape your fender card face down to front fender

Numbers: All bikes must have correct D37 style numbers.

Chase Riders: All chase riders must register with the Race Referee at Race Registration; no other riders will be allowed on the course.

Sound Check: Limit is 96db. All odd number bikes must be sound checked. Bring your bike with your fender card attached and the filled-out sound check form. Sound check for the Youth Event will be located by race registration.

Tech Inspection: All bikes will be checked at the start line for spark arrestor, correct D37 style numbers, all odd number bikes will be checked for sound check stamp.

Start line: The Start for the Youth Event will be northwest of Stephen's Mine Rd., near sign-up. Follow signs from race registration.

Spectators: All spectators must be 50 feet from the course at all times, no spectators will be allowed on pit row or by the scoring area.

Bomb Practice: No bomb practice for the Youth Event.

Start Times:

Race 1 10:00AM - PeeWee 50cc Jr & Sr, & Micro-E (30 min.), **Race 2 11:00AM** – 65cc Sr & Jr, & Jr Girls (1 hour), **Race 3 12:30PM** – Super Mini, 85cc Sr & Jr, & Sr Girls (1 ½ hours)

Start: **Race 1** live engine banner start, **Race 2&3** dead engine banner start

Riders Meeting: There will be a mandatory rider's meeting at the start line 15 minutes prior to each start.

Course: The course for race 1 is approx. 3 miles in length, race 2 is approx. 8 miles in length, and race 3 is approx. 12 miles. The course is a mixture of fast valley runs, small up and downhills, lots of rain ruts, sand washes and some mild technical sections. There will be at least one check point on the course, the rider must stop to have their fender card marked. It is the riders' responsibility to ensure they received a check mark. **FOLLOW** the directions of the course workers.

Checkpoints: All Checks will be stop checks, the rider must stop to have their fender card marked. It is the riders' responsibility to ensure they received a check mark.

Pits:

- Pits will be located near the Youth start and will be marked
- There will be a pit by-pass lane for Race 2 & Race 3; Race 1 will use pit row each lap
- **No Camping on Pit Road**
- Pits will not be open for set up until 6:00am on Saturday. **NO EXCEPTIONS**
- Pit road speed limit is **15 mph** and will be **STRICTLY ENFORCED**.
- **No glass or alcohol** in the pits & **WILL BE ENFORCED**
- All pit crews must have an absorbent mat to refuel on and to store fuel cans.
- Each pit must also have a fire extinguisher available.

Course Markings: The course will be marked with Caselli Foundation markings: orange ribbon, orange/black turn arrows, orange/black X road crossing, blue danger markings with blue ribbon, orange day glo markers (danger or hidden hazard), and white wrong way markers.

Home Check: No passing between the flagman and the transponder tower, **speed limit is 15mph thru the transponder chute.**

Finish: Finish will be located before the Pits.

At the checkered flag proceed thru the transponder tower and into the finish chute, course workers will remove your fender card and give you your finisher pin. **No passing between the flagman and the finish chute, speed limit is 15 mph between the flagman and the finish chute.**

Awards: Trophy presentation will be at approx. 3:00PM or after scoring is complete at the D37 trailer.

Spectators must stay a minimum of 50 feet back from the finish area at all times.
