So print has its limitations, but not so with the online version. I have created two news letters for May 2015. The one you see here, and the one that will be live on the District 37 Off-road Web page.

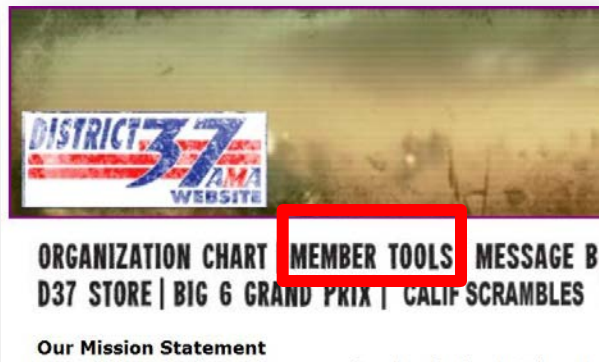

I'm being limited to 12 pages for the print version so there are only a few photos from each event and a bit of copy that we can fit. The on-line version, for example the April 2015 that is currently on-line is 19 pages of hot race action. There will be a May 2015 On-line version as well that will be much larger and full of much more content then what you see here.

So how do I get there?

Scroll down about half way and you will see the Newsletter Archives.

Who's The Big Winner?

Did you win your class in 2014? Did you earn a #1 plate for 2015? If you answered yes to these questions, then District 37 wants to give you a complimentary "Class Champion" t-shirt.

The next time you see Tina Gaily of Gaily's T-Shirts in the desert or at the track, stop by to pick up your pre-printed t-shirt.

California Scrambles Update After Round 3

#1 Heavyweight right now is Barstow M/C's Christopher Pitts. Pitts has piloted his Honda to 1st Int Hwt in all of the first three rounds and has amassed a good points lead.

#1 Lightweight right now is Checkers M/C Trevor Hoffman on a KTM. Three wins in a row for Trevor

#1 Lightweight II is the KTM of Ryan Karell from HBMC. Work points have helped, but he one Race one at 4 aces as well. This class is going to be a shoot out with Travis Green from Team True Racing who wan round 2 and 3.

#1 Women right now is Intermediate Stephanie Giroux. She has finished 1st Wom. Int. in all three events so far. Stephanie enters round 4 with a 30 point lead.

#1 Quad is Invaders M/C Ryan Wilson. Not a lot of 4 wheelers running these events... Why not? This is perfect for these guys and gals. It runs the first loops of the event without getting too much int the single tracks second loops are famous for.

SoCal M/C or Round 4 update will come in next letter. I will also update the points and give a mid season run down in issues to come. Looks like this series is off to a start. If you have not tried it yet, get to the next rounds at the Badgers M/C at Spangler.

June On-Line Version will have: Hilltoppers M/C GP, SoCal Desert Scrambles and Youth Desert Race, United M/C Enduro and the Vikings M/C NHHA National Hare and Hound. Stay tuned for the best coverage of District 37 Off Road Racing Anywhere!

Catching up With World/National Champ and business owner GRANT LANGSTON

D37: How are you?

Grant: I'm doing great thanks. I'm busier than ever and still traveling a lot for work!

D37: What have you been doing lately?

Grant: Between our international business, (importing to South Africa) the dealership in Cali that is growing all the time and the TV shows. I'm left with just enough time for riding and spending time with my kids.

D37: We hear you have a motorcycle dealership now?

Grant: LANGSTON MOTORSPORTS... it's a family owned and operated business. I'm very proud of what me and my family have built over the years. We have range of parts and accessories plus we sell all the major brands.

D37: Can you tell us about it?

Grant: We are based out of Perris, Ca. Besides the dealership LANGSTON MOTORSPORTS is also a distributor so that keeps us busy as well. We also try and support the sport as much as possible, as we are a racing family.

D37: We are happy you will support our members. What can you tell us about it?

Grant: We will be offering Great deals on race bikes and Parts & accessory discounts to all D37 members. We also have a very knowledgeable service department offering everything from a simple tire change and race prep to suspension re-valve porting job. Oh yeah and did I mention we have a Dyno room*? (*dyno tune is C.A.R.B compliant)

D37: We wish you the best of luck with your new project

Grant: Thank You

Chance Wyllie hauling the mail at Dirt Diggers!

Nobody brings the fun like the Dirt Diggers M/C!!! Without a doubt, a large group of people dedicated to a really good time! So, how could a Desert Scrambles from these folks be anything different? Kudo's go out to a club that really gets it! Rovers M/C's Chance Wyllie (above) ripped up the desert for a 1st overall and 1st Lwt-I Expert. Chance had a 6 second lead after one lap over Jackrabbits M/C Kevin Dejongh, but stretched it out to over two minutes by the end of the race. Chance on the Davis Motorsports, Maxima, Maxxis, DT1, Mika, MSTR, Sidi Kawasaki got it done!

2nd overall and 1st Lwt-II was another Rover, Paul Krause. PK was 3rd after one and got his KTM, MALCOLM SMITH MOTORSPORTS, AIR CLEANING TECHN KTM over the line behind Chance.

Checkers M/C Trevor Hoffman on the airflex/ oneal/ SRT/ fasstCo/ XBrand/ motul/ 3bros/ fmf KTM moved from a 6th place after on to finish on the podium for 3rd.

Cordis Brooks on the 3 Bros, SRT KTM was fastest 60+ Masters. Looks like he finished just 1 second ahead of Lost Coyotes M/C Robert Koch. That some good racing!

The quad race had some dicing too. Ryan Wilson of the Invaders M/C was fist after one lap and was 9 seconds ahead of the rovers M/C Eric Pealstrom. Eric got by and finished well ahead of Ryan, but it was exciting early.

First 3 women we Intermediate riders. 1st was Stephanie Giroux on the Jones Engine Development KTM. 2nd was United M/C's Kinga Modliszewska on the Nicol Racing KTM and 3rd was HBMC's Stephanie Martin also on a KTM. Nice Race Ladies!
