...Wow, thank you all for the honor and privilege to lead this historic organization. We have many challenges that face us in the near future but I feel confident that together we can overcome these obstacles and come out stronger than we were before.

This is OUR District 37 and WE can make it better. Every single rider, every single club has my solemn commitment that I will work tirelessly for everyone to make District 37 racing THE place to be. My phone is always on and I'm at every race to answer any questions or address any concerns. Thank you again!!! And now it's time to go to work.....

Calling All District 37 Clubs, As we all have heard the District 37 RHR Fund (Riders Helping Riders) has taken a big hit in the last couple of weeks.

Hilltoppers MC has donated \$ 500 tonight and Challenge all other clubs to donate to the fund. Support District Riders. Remember this is Your District

Per Bill's request, I'm letting everyone know that last weekend, Bill Howell fell at Viewfinders. He spent the week at Kern Memorial and was moved to Loma Linda last night. He has broken a vertebrae in his neck, his mid back and his lower back. He will have surgery in a few days. We love you Bill!!! [HBMC District 37 MEMBERS](#)

From Bill:

My fellow Racers and everyone, THANK YOU for all the good wishes your sending my way. They really do help and let you know you're not alone. We have come to terms with being here for a long time. Your prayers have helped a lot with that and mean so much!! Naturally, we had to learn a lot about this injury. Know that we are here as a resource if anyone needs information. I know it's not right to single out a few people, but I can't help but thank Guy and Sheri Kibbe, Nikki and John Karell, Sheryl and Joe Tabush, and my brother Mark Howell, just to name a few. Hope to see you all at the races soon!! It is our intent to keep doing what we love to do. See you all real soon! All our love, Bill and Sandy Howell

**Eric Yorba** lead most of the way in the WCGP Pro race Saturday at Ridgecrest. He seemed to have it in the bag. Math and MPG's got in the way and during lap 6 and the #1 plate ran out of gas. Leaving the race open to **Zach Bell** and JCR Honda Rider **Trevor Stewart** (75)

**Zach Bell** eventually got his 3<sup>rd</sup> win of the year by just 38 seconds.

Zach adds a bit of breathing room between himself and Stewart. He now has a 24 point lead heading to Round 8 at Gorman.

**Trevor Stewart** of JCR/ Honda was a close 2<sup>nd</sup> and kept his championship hopes alive. Here he is to the right blasting the berms of Ridgecrest!!!

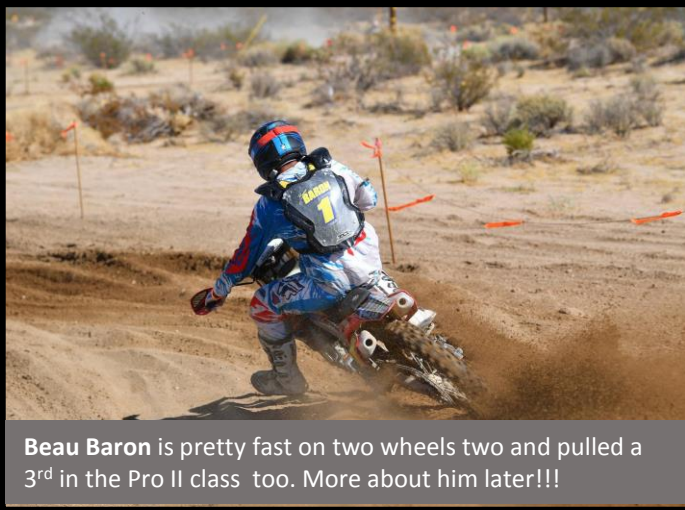

**Justin Seeds** rounded out the top three with his best finish of the year. With the problems that Yorba and Thompson had, this has opened the door for Seeds to be in the top three in the points chase too!

The CST, PRECISION CONCEPTS, BOLT, REKLUSE, FLY KTM of **Mitch Anderson** picked up the win in Pro II.

Clay Hengeveld (151) on the NORTHLAND MOTOR,PRECISION CONCEPTS,TLD,IMS,MAXXIS Kawasaki chased Anderson for the 2<sup>nd</sup> spot in Pro II.

Beau Baron is pretty fast on two wheels two and pulled a 3<sup>rd</sup> in the Pro II class too. More about him later!!!

Rachel Vandiepen was the Top Women finisher in Race 2 and 11<sup>th</sup> overall.

Matt Pastor lead Race 2 wire to wire. The Revo Expert is pictured above over one of the many fun obstacles the Viewies put together.

...and the march continues... Three Races... Three wins... Gordon Ward is a Beast on the JBC, HI-POINT, MOTO MAN DIST. Yamaha. He got the overall in the Veteran, Senior, and Magnum races. Really unbelievable speed from this guy.

Christopher Hernds was the overall winner of the WCGP Novice/ Beginner race.

Checkers M/C Clayton Roberts topped the Mini race. Super Mini Advance wire to wire.

Maximum Esquivel (B619) got two wins on the weekend. The WCGP Junior Advanced and Junior Advanced the following day. Here he is off the start with last years #1 Lane Forbes and on the outside is Jett Lessing (B266)

Things you can count on.. Suns gonna come up, ice is gonna melt and **Beau Baron** is going to win the ATV race. This time by 3 minutes. With 12 minute laps.. That is a lot of time. Congrats for another great win...

The **Mark McDade Side Car** with another win in class.

After some bad luck in the Pro Race, **Blayne Thompson** came back Sunday and Handled the Hwt/Lwt Race.
