

## REQUEST FOR EVENT SERVICES

Rescue 37 is dedicated to reducing the risk of injuries and ensuring timely and effective care of injured D37 riders through proactive planning. Please help us be successful with these safety measures for your event. By completing this form, your Club agrees it understands the Communications and GPS requests, which are proven to be in the best interest of everyone involved or participating in your event.

Please complete the form below, and submit it by e-mail at least 2 months prior to your event. You will receive acknowledgement of agreement to support your event.

Please complete this form and e-mail to: [sheri.kibbe@district37ama.org](mailto:sheri.kibbe@district37ama.org)

Hosting Club: \_\_\_\_\_

Event Date(s): \_\_\_\_\_ Start Time: \_\_\_\_\_

Will your Club be providing any medically trained personnel to assist with your event? YES NO

If yes, how many people? \_\_\_\_\_ Any other club members to help with R37/ how many? \_\_\_\_\_

Person Requesting: \_\_\_\_\_ Phone: \_\_\_\_\_

e-mail: \_\_\_\_\_ Cell: \_\_\_\_\_

Event Referee: \_\_\_\_\_ Phone: \_\_\_\_\_

e-mail: \_\_\_\_\_ Cell: \_\_\_\_\_

## Communications and Maps

### Communications

We will be communicating via D37 Channel 1 (weatherman) on handheld and base radios. You will need to have a relay person who can sit on top of a mountain and communicate with all checks and road crossings. It is imperative your relay person is located in the best place for communications and **NOT** located in camp. You may reach out to Robert Thompson for relay (714-299-1593 or [KE6RKG@msn.com](mailto:KE6RKG@msn.com)) or supply your own person. Please do not use riders' names over the radio. You may refer to them with their racing number, which will also be the identifier for that particular incident.

### GPS & Maps

Please e-mail a GPS file of your event, usually the .kml file that you send to the BLM to obtain your permit to Ryan Wilson at \_\_\_\_\_ at least 1 month before your event. Mile markers will need to be included. Ryan will create maps from your file. If there are any changes made to your course that would affect the maps in locating a downed rider, you must contact Ryan immediately and forward the changes to him so he may update the maps. Please be as detailed as possible. If you will be referring to landmarks or named roads, they must be included on the maps. If its not on the map, we will not know where you are referring to.

You may direct any questions or concerns to Sheri Kibbe at [sheri.kibbe@district37ama.org](mailto:sheri.kibbe@district37ama.org)
