Rovers MX race at LACR

Story and Photos by Kaeley Porter

LACR MX Track was in prime condition for the second motocross race of the summer for District 37. Hosted by Rovers MC, the club put on an awesome race per usual, stepping out of their desert racing comfort zone!

The start gate was packed with thrilling competition for each race, and each rider put the work into both motos to see themselves come out on top despite the humidity and grueling heat that came with the deep down location of the LACR MX Track!

The Rovers MX race brought out more than the normal desert crowd. Racers who have never competed alongside one another got to go hand in hand with some of the desert's best!

Walker Harrison who kicked off the morning with a lead in race 1 moto 1, taking an overall win and 1st place in the 250 A class. Harrison held his flow on the track and was prepared for moto 2 after adjusting a bit of his tire pressure.

Elite Racing backed Nick Stover (281 Middle Right) was in the chase of Harrison during race 1, preparing himself on the track for the Pro race a little later in the day.

Not too long after, Zach Spano, Walker Harrison, and Braasch Motorsports STI Nic Garvin (top right) tore up the track in the 450 class! Garvin taking 3rd overall in this race and 1st in the 450 A Open class. Due to bike difficulties, Garvin would not make it back out on the track until moto 2 of the day.

Shane Logan putting in work!

Moto 2 was off to a great start as soon as 3 Brothers Racing backed Shane Logan, Walker Harrison, Austin Porter (N299A right) , Matt Burroughs and many other riders reserved their spots on the starting gate. Shane Logan held his lead almost immediately, while Harrison came behind taking 2nd and Porter in 3rd! Porter not only took 3rd overall in the second moto, but also 1st place in the Open A class!

Braasch Motorsports STI Nic Garvin made his way back out to dominate the 450 A class, coming in 2nd overall behind Zach Spano race 4 moto 2! Walker Harrison once again making his mark, came in 3rd place catching up not far behind Garvin.

The track was now ready for the most exciting race of the day, the Pro race! With a \$500 purse, the start gate was lined with some unexpected competition! The gate drop released riders such as Elite Racing backed Nick Stover, Blais Racing backed Kyle Mercier, Kevin Weisbruch, Dominic DeSimone, and new to the pro scene Deegan Vonlossberg! (423 right)

Dominic DeSimone (9 below) , taking home 1st and the \$500 purse, with a nice battle against Deegan Vonlossberg! Last race of the day, these boys knew how to end with a bang!

YOUTH

Up and coming racers, Caleb Adams (599), Brock Smith, and Jacob Adams dominated the track in their first moto of the day! The 85cc (12-13) class saw an overall win by Caleb Adams while Nathan Urbanek came 2nd in class and Erik Welch placed 3rd in class.

The Adams boys made a reappearance in race 7 for the Super Mini class. Caleb Adams placed 1st and Jacob Adams came in a tight 2nd place!

Taking over the Girls class was Katelyn Ridgely, coming in 3rd overall and 1st in class.

Moto 2 for the younger guys saw an overall win made by Brock Smith, with Caleb Adams in 2nd and Kaden Blount in 3rd. Brock Smith (1 below) also took home a win in the 65cc (7-9) class with Brennen

Watson (318) taking home 2nd in the 65cc (7-9) class! The future of racing has never looked so bright!

The Rovers MX race at the LACR MX Track could not have been a better race to add to the new spin of District 37 summer motocross! Racers with a normal schedule of wide open desert racing got the chance to race a fast paced closed motocross track in their local District 37 sanction, made for a fierce day of racing!
